HUMMER RAFT COMBO

COLORADO RIVER

MEETING THE EXPEDITION

Q. WHERE DOES THE TRIP BEGIN AND END?

A. The Hummer Raft Combo Trip begins and ends in **Moab, Utah.**

Q. WHERE DO I MEET THE TRIP?

A. The trip meets in Moab, Utah at the Highpoint Hummer office at 281 N. Main St. Moab can be reached via Salt Lake City, UT or Grand Junction, CO. It is generally less expensive to fly into Salt Lake, whereas flying into Grand Junction is closer and a much quicker transfer to Moab. Several options for transfers from either Grand Junction or Salt Lake are available. Charter flights are available for both routes, rental cars and shuttle services are available at each airport. Driving time to Moab from Grand Junction is two hours by traveling west on I-70 then turning south on Hwy 191. Driving time from Salt Lake is four hours traveling south on I-15 to the Price/US 6 exit to east I-70 then south on Hwy 191.

Q. IS THERE AN ORIENTATION MEETING?

A. Upon arrival in Moab, call us at our local phone number 259-7515 to verify departure time and meeting place.

Q. WHERE SHOULD I STAY IN MOAB?

The following is a short list of motels in Moab.

Slickrock Campground	(800) 448-8873

For a complete list of area campgrounds visit:

www.discovermoab.com/campgrounds.htm

All overnight accommodations are the responsibility of the client or the travel agent.

WHAT TO EXPECT ON THE TOUR

TRIP ITINERARY

The trip meets at the Highpoint Hummer office at 281 N. Main St. in Moab at 8:15 a.m. We then load into the hummers for two hours of 4x4 fun through canyons and over sandstone fins near Moab. After the Hummer tour you will be shuttled to the river via Highway 128. The drive is approximately 20 minutes to the launch sites. Rafting, sightseeing, swimming and playing compose the majority of the afternoon. A riverside picnic lunch is provided. The river trip will return to Moab at approximately 3:30 p.m.

Q. WHAT KIND OF EQUIPMENT WILL WE BE IN?

A. A Hummer provides the smoothest and most comfortable ride of any 4 wheel drive vehicle. The Hummers carry 6-12 passengers. On the Colorado River we use 16-18 ft. paddle rafts with everyone participating or you can request an oar powered raft where the guide does all the driving. Smaller two-person inflatable kayaks can be requested in advance (based upon availability) so you can get up close and personal with the waves.

Q. WHAT KIND OF WEATHER CAN WE EXPECT? WILL IT RAIN?

A. The Canyon Country is noted for fantastic weather. In the Spring and Fall temperatures range from 60 to 80 degrees for daytime and 20 to 50 degrees at night. Summer temperatures range from 85 to 105 degrees during the day and 58 to 68 at night. We recommend that you bring a light rain jacket in the spring and fall. Bring plenty of sunscreen and a hat during the summer.

Q. SHOULD I BRING A CAMERA?

A. We encourage you to bring a camera to record your adventure. On the river, water resistant dry bags will be provided by WWRE for easy access and storage.

Q. WHAT ABOUT GRATUITIES?

A. You should never feel that a gratuity is automatically expected from you, but it is a great way to acknowledge excellent service. Our guides work hard to make each expedition a memorable and rewarding experience.

Q. MAY I BRING MY OWN BEVERAGES?

A. Water and Lemonade are provided, however, a water bottle is nice to have to use during the day. You may also choose to bring soda or other beverages. An ice chest is provided.

Q. WHAT ARE THE CLASSIFICATIONS OF THE RAPIDS?

A. The rapids on the Fisher Towers Daily section offer class II whitewater which is splashy fun for everyone. This trip is perfect for first time rafters, families with children and experienced boaters who want a wet and mild one-day experience.

Q. WHAT PERSONAL EQUIPMENT DO I NEED FOR THE TRIP?

A. You will need to bring plenty of sunscreen, lip balm, a hat, sunglasses with safety strap, shorts or swimming suit, river sandals or tennis shoes, and T-shirt that can get wet. You also won't want to forget your camera and extra film! Don't worry if you forget something. Most items we have available for purchase at our company store.

Q. WHAT DOES WORLD WIDE SUPPLY?

A. A Coast Guard approved Life Jacket (to be worn at all times), a water resistant container to use for camera, film, glasses, etc., state of the art rafts and river equipment, transportation to and from the river, a fantastic lunch, and great guides are all included in your trip cost.

Q WHEN IS MY BALANCE DUE AND WHAT IF I NEED TO CANCEL?

A. For groups of 10 or more, a deposit of \$5 per person is due in our office within three weeks of making the reservation. The balance is due 14 days prior to your launch date. For individuals, a credit card number is used to hold your reservation and the balance is due before the trip departs. For groups, cancellations made 24 hrs prior to trip date full refunds, less a processing fee, will be given. We know that individual numbers are hard to pin down until the last minute. While we try and be as flexible as we can with individual cancellations and additions, there will be no refunds issued the day of departure without written notice of cancellation 24hrs. prior to departure date. Cancellations made within 24 hrs or no-shows are non-refundable and will be charged in full on the credit card on file. We reserve the right to cancel any trip, with a full refund due to weather, water conditions, or insufficient reservations.

Responsibility: Although World Wide River Expeditions and Highpoint Hummer Tours take every precaution when it comes to passenger safety, these activities have some inherent risks. Each participant will be required to sign an acknowledgment of risk form before participating. Parents must sign with minor children.
